Using the form through the website:

Through our website, we would ask the Service Provider,

Are you a firm or a sole proprietor?

- **For *sole proprietors* and *independent contractors*, without employees, we would capture additional data to determine “employee vs. independent contractor” status using this new format that would be completed by the Service Provider and certified by the University Department Business Administrator requesting the Purchase Order or Contract.**
- **For *firms* (e.g. LLP’s, Corporations, Partnerships), we will continue to gather the general information necessary to validate the status and financial standing of all Vendors we work with at the University via the Vendor Questionnaire, but would no longer require the IRS information formerly collected for all Service Providers via the Department’s Consultant Worksheet.**
